ADDITIONAL PARTNERSHIP OPPORTUNITIES

WORKSHOP PRESENTER

The South Dakota FBLA State Leadership Conference brings together hundreds of ambitious high school students who are eager to learn from professionals like you. By presenting a workshop, you'll have the opportunity to showcase your industry, share valuable career insights, and equip students with real-world skills they can use in the classroom, workplace, and beyond. We are looking for one or two 45 minute sessions. Lunch will be provided.

COMPETITIVE EVENT JUDGES

Our conference wouldn't be possible without the help of volunteer judges supporting the competitive events program. All judges receive a full orientation on site before judging begins, so no prior experience is needed. You'll feel inspired after hearing from our motivated student members! Lunch will be provided.

2027 SD FBLA State Leadership Conference is 4/12 at the Pierre Ramkota
